

PARTY DINING

CHRISTMAS AT E&O

Host your Christmas party this festive season at e&o. We can accommodate parties from 2-100 people in the restaurant, and 20 in our wonderful private dining room.

For groups of 8 and above, choose from our set menus, or if your favourite e&o food is on the a la carte menu, we can create a bespoke menu for your group. This menu will need to be ordered the day before your event, with a minimum spend per head. The whole table will be on the same menu and it will be served family feast style, with some sharing plates.

We are also very happy to organise vegan and vegetarian menus.
